In Collaboration with: Indian Dental Association (IDA)

Report

Seth Malook Chand International School, in collaboration with the **Indian Dental Association (IDA)**, organised an **Oral Hygiene Camp** on **10 August 2026** at the school campus. The programme was conducted from **10:00 a.m. to 11:30 a.m.** for students from **Playgroup to Class VIII**.

The programme aimed to create awareness among students about the importance of **oral hygiene, dental care, and healthy habits**. The resource persons interacted with the students and shared valuable, age-appropriate information on maintaining good oral health and taking proper care of their teeth.

The session was conducted by a team of esteemed doctors, including **Dr. Umeet Singh, Dr. Pallavi Sharma, Dr. Harsh Gupta, Dr. Mukul Saini, Dr. Pankaj Vaishney, Dr. Payal Agrawal, and Dr. Govind Mishra**. Their informative and interactive session helped students understand the significance of oral hygiene and encouraged them to adopt healthier dental habits in their daily lives.

The doctors also addressed students' queries and provided practical guidance on **proper brushing techniques, dental hygiene, and maintaining healthy teeth and gums**. The interactive session made the programme engaging and informative for the students.

The school expressed its sincere appreciation to the entire medical team and the **Indian Dental Association** for their valuable contribution towards promoting awareness about oral hygiene among students. The programme proved to be an enriching and meaningful experience, reinforcing the importance of maintaining good oral hygiene and healthy dental habits from an early age.
