Constitution of School Management Committee (SMC)

SMCIS/26-27/C-01

05/04/2026

In accordance with the provisions of the Right of Children to Free and Compulsory Education (RTE) Act, 2009, and the latest guidelines issued by CBSE, the School Management Committee (SMC) has been constituted to ensure effective participation of parents, teachers, and community members in the management and development of the school.

The Committee aims to promote quality education, monitor school functioning, support student welfare, strengthen community participation, and assist in the preparation and implementation of the School Development Plan (SDP) for the overall improvement of the institution.

The SMC shall function as a collaborative body committed to transparency, accountability, inclusiveness, and the holistic development of every child enrolled in the school.
